

WILSON CONFERS WITH COMMISSION

Lends Personal Touch to Aid Efforts of American- Mexican Joint Body

PUTS ASIDE OWN CARES

President Lays Great Stress on Protection of American Lives and Property

EXECUTIVE EXCHANGES CALL

NEW LONDON, Conn., Sept. 12.—President Wilson lent his personal touch today to aid the efforts of the American-Mexican joint commission in seeking a permanent foundation of sympathy and understanding upon which may rest the future relations of the United States and Mexico.

Putting aside for one hour his own cares and his vigil at the bedside of his sister who is dying here, Mr. Wilson exchanged calls with General Carranza's representatives. It was the first time during his administration that the executive had dealt personally with a representative of the Mexican de facto government.

The regeneration of the stricken nation must come from within, Mr. Wilson said; and, in answer for his colleagues and himself, Luis Cabrera Carranza's minister of finance and chairman of the Mexican delegation asserted that his country was struggling toward the light of free and democratic government.

Mr. Wilson laid great stress it was learned on the point as to the present conference on which Secretary Lansing and Secretary Lane centered their remarks at the first meeting of the commission in New York—the protection of American lives and property in Mexico and along the border.

The meeting was arranged when the president arrived yesterday. A message of sympathy from Mr. Cabrera and his associates was carried to Mr. Wilson by Secretary Lane, chairman of the American commission. The message contained the hope also that the Mexican representatives might pay their respects to the president in person before they returned home. The executive signified his wish to meet the Mexican delegates at once.

Accompanied by the three American delegates the Mexican party was taken to the naval yacht Mayflower in a navy launch that had been placed at the services of the joint body. The visitors were received with full naval honors except that the salute was omitted. Secretary Lane introduced his Mexican conferees to Mr. Wilson. Within fifteen minutes after the Mexican commissioners had returned to their hotel, the president's barge conveyed the executive from the Mayflower on a return visit.

At the hotel he was met by Secretary Lane, Judge Gray and John R. Mott, the American representatives and escorted to the sun parlor where the Mexican representatives awaited him. For half an hour the president and the six commissioners chatted informally. Mrs. Wilson in the barge awaited her husband's return.

The president went direct to the subject of the Mexican revolution. From the brief statement he made indicated his comprehension of the great problems, political, economic and social, which Mexico is facing.

Mr. Cabrera in his reply referred to the movement for free government and as the tutor to whom Mexico must look in striving for the type of government its people sought.

In the morning hours before the exchange of visits, the joint commission considered reports submitted by the Mexican members as to the political events which brought their de facto government into power.

The commission will resume deliberations tomorrow morning and probably will continue its review of Mexican politics.

Major General Bliss as the chief of staff of the army who has been summoned by Secretary Lane for conference with the American commissioners, is expected to arrive here tomorrow.

A formal statement issued by the commission said Mr. Cabrera had presented a review of political developments in Mexico. Civil governors have been installed in ten states and the territory of Lower California it was said.

"Mr. Cabrera further outlined," the statement continued, "the plan which General Carranza has in mind for the speedy civil reorganization of the country. The country is of the opinion that certain basic social and economic reforms should be carried thru as preliminary to the revision of the present constitution. As soon as conditions permit, a constitutional

DECLINES RECOMMENDATION TO ARBITRATE NEW YORK STRIKE

Shonts Makes Announcement After Mayor Mitchell and Public Service Commission Urged Action.

New York, Sept. 12.—After Mayor Mitchell and the public service commission had taken steps late today to terminate the transit strike in this city by urging that both sides arbitrate their differences, President Shonts of the Interborough Rapid Transit company announced that he would not accept the recommendation. Plans to continue and spread the strike also were discussed tonight at a meeting of the United Labor conference of the Central Bodies of Greater New York.

After the conference, Hugh Frayne New York state organizer of the American Federation of Labor, issued a statement as follows: "The consensus of opinion among the members of the various organizations represented was that the railroad officials must be met with the sort of force they are applying to the men."

Frayne declared that the United Hebrew Trades, said to have a membership of 200,000 were represented in the conference for the first time. An investigation started by the coroner after an accident in the Bronx this afternoon in which two persons were killed and many others injured when a car got beyond the control of an inexperienced motorist and crashed into an automobile, revealed that the strike breaker had been employed previously as truckman.

Traffic on virtually all surface car lines affected by the strike was suspended again tonight. Subway and elevated train service continued at about normal.

FREEDOM WILSON TO RETURN TO HIS SUMMER HOME TODAY

Executive Plans to Return to New London, Conn., if There is a Definite Turn for the Worse in Mrs. Howe's Condition.

New London, Conn., Sept. 12.—President Wilson decided tonight to return to his summer home, Shadow Lawn, Long Branch, N. J., tomorrow morning. He was advised by physicians attending his sister, Mrs. Annie E. Howe, who is critically ill here and constantly under the influence of opiates, that she might linger in her present condition for several days.

The president, it was announced, plans to return here if there is a definite turn for the worse in Mrs. Howe's condition.

The president expects to leave here on the yacht Mayflower. No definite hour has been set for his departure. Mrs. Wilson will accompany him.

The president expressed deep concern over his sister's condition tonight when informed by the physicians that it was impossible for her to recover. Before going aboard the Mayflower tonight, he left directions that he be informed of every development in her condition.

STATE CANDIDATES FIRE FINAL SHOTS

CLOSE MOST EXCITING PRIMARY CAMPAIGN IN HISTORY OF ILLINOIS

Chief Interest is Directed Toward Three Cornered Fight Between Lowden, Smith and Hull for Re- publican Nomination for Govern- ment.

Chicago, Sept. 12.—Candidates for state offices fired their final shots tonight as the most exciting primary election campaign in the history of Illinois was brought to a close. It has been in progress for nearly a year and is said to have cost the various candidates \$2,500,000. The state candidates who closed their campaigns in Chicago kept up the fight until a late hour tonight when the canvass was brought to a noisy finish.

Chief interest was directed toward the three cornered fight between Frank O. Lowden of Oregon, Frank L. Smith of Dwight and State Senator Morton D. Hull of Chicago for the Republican nomination for governor. Smith went home to close his campaign at Pontiac and Dwight. Lowden and Hull finished the fight with a long string of meetings in Chicago. All three of the candidates issued statements tonight claiming the victory by large state pluralities. The fight for the other state offices was exciting and practically every candidate declared confidence in his victory.

On the Democratic side the fight between Governor Edward E. Dunne and William B. Brinton of Dixon for the Democratic gubernatorial nomination attracted wide attention. Sullivan, who is backed by Roger C. Sullivan and the regular Cook county Democratic organization claimed he would carry Chicago by 25,000 plurality and win 85 of the 101 counties down state.

Governor Dunne said he was confident that he would be renominated by a large plurality.

FEW CHILDREN WILL GO

In the past the state board of agriculture has distributed tickets to children granting them free admission to the state fair on the opening date. The plan for this year was the same but a statement by the state board of health advises against children attending on that date. All the tickets have been sent to Supt. of Schools H. H. Vasconcellos and to other county superintendents thruout the state. It is very improbable that children will attend on the opening date. Health authorities agree that such gatherings of children might tend to increase of infantile paralysis.

M. E. CONFERENCE APPOINTMENTS MADE

NEW PASTOR IS NAMED FOR CENTENARY CHURCH

Rev. E. L. Fletcher Succeeds Rev. G. W. Flagge Here—Rev. H. A. Sherman and Rev. C. H. Davis go to New Fields—Rev. W. H. McGhee to Take Murrayville Church.

Appointments were read just before noon at the session of the Methodist conference in Springfield Tuesday. The only change in Jacksonville is the appointment of Rev. E. L. Fletcher to become pastor of Centenary church in the place of Rev. G. W. Flagge, who is to go to the church at Charleston. Rev. H. A. Sherman of West Jacksonville circuit will go to Ridge Farm in the Danville district and his successor will be Rev. J. O. Kirkpatrick, who has been pastor of Grace church at Quincy the past year.

Rev. C. H. Davis of Jacksonville district goes to New Holland in the Bloomington district and his successor is Rev. George T. Wetzel, who comes here from the Lincoln circuit. Rev. C. S. McCollom of Murrayville goes to Payson in the Quincy district and his successor is Rev. W. H. McGhee, who for the past two years has been serving in White Hall. Rev. N. R. Johnson of Waverly circuit is to go to the Lincoln circuit and is succeeded by Rev. F. C. Perce. The new pastor at Franklin will be J. N. Jerman who comes from Payson to succeed E. S. Vorbeck.

Rev. Mr. Flagge's change was at his own request as he has had a successful pastorate at Centenary church. The rumored changes of Dr. F. A. McCarty and Rev. F. B. Madden did not materialize, a fact which is a matter of great satisfaction to their friends in and out of Methodism in Jacksonville. One of the most notable appointments made by the conference was that of Rev. A. K. Byrns of Beardstown to the First church in Bloomington. The Bloomington church ranks as one of the very best appointments in the conference and aside from paying almost double the salary that Mr. Byrns has been receiving in Beardstown, carries with it special influence. Rev. Mr. Byrns' successor at Beardstown will be Rev. A. L. Caseley, who has been located in Charleston.

Rev. M. N. English as Superintendent of the Decatur district made vacant by the promotion of Rev. M. N. English, who a few years ago was pastor of Centenary church and who has been at First church, Danville, the past years, Rev. F. A. Havinghurst, whose appointment to Grace church in this city was rumored, if Rev. F. B. Madden became a district superintendent, has been assigned to the First church in Decatur, succeeding Rev. A. N. Antrim, who goes to Danville.

HUGHES COMPLETES FIRST CAMPAIGN TRIP

DECLARES G.O.P. WILL NOT "CHANGE ITS PLANS OR AIMS

Nominee in Speech at Plattsburg States the Result in Maine Has Proved the Republican Party is Reunited.

Plattsburg, N. Y., Sept. 12.—Charles E. Hughes, in the last speech of his presidential campaign trip, asserted here tonight before a crowd that filled the opera house that the result in Maine had proved the Republican party was reunited. He declared the party would not "change its plans or aims."

Persons in the audience took the reference to apply to criticism of the methods pursued in conducting the present campaign and applauded the nominee vigorously.

"I come to you," Mr. Hughes said, "as the spokesman of a reunited Republican party. Maine proves that it is reunited. Whoever was skeptical about that before must hide his cynicism now. We shall not change our plans or aims, but we shall go forward with renewed confidence because the old state in the northeast corner has spoken in no uncertain way."

He assailed the Wilson administration for failure to reduce the cost of living, for extravagance, for failure to protect American lives and rights abroad and for failure to "live up to its promise to observe the merit system."

"It is time for assessment, for appraisal and for candid statement," he said. "No one in this country can object to full and fair discussion. That is the very spirit of our institutions. But we are all friends however, divided politically. I do not desire, in speaking of those who do not agree with me to manifest the slightest disrespect."

"Our friends on the other side tickled the ear with many promises they have not fulfilled. They said the Republican party was responsible for the high cost of living. They have been in power for some time and I do not see that the cost of living has been reduced."

"It was said they would dispose of many useless offices. The abolition of useless offices has not been quite so apparent as the appointment of useless officers. It was said they would get rid of extravagance. Now it becomes our painful duty to arraign the Democratic administration for extravagance."

"They told us four years ago they were going to be true to the principle of the civil service. The principle of the civil service has been betrayed. They told us that the lives and property of American citizens abroad would be protected. That was one of their most explicit promises. The only trouble was that it was not performed."

Earlier in the day the nominee visited the military training camp here, remaining for dinner with Major General Leonard Wood. Tonight Mr. Hughes praised the camp in his speech.

"It is a training school in Democracy," he said. "It is a discipline that knits men together in wholesome comradeship. It is preparedness not only military but civil and moral. I desire to see these camps maintained, in various parts of our land, and men in constantly increasing numbers seeking the benefits of training and discipline under favorable authority. I think it was a great mistake to abandon the plan that was first formulated with that end in view."

"This is the land of the free and the home of the brave. If it ceases to be the home of the brave, it will soon cease to be the land of the free."

A delegation of former Progressives and a number of suffragists occupied seats on the platform.

Mr. Hughes left Plattsburg tonight for New York. He will remain there until tomorrow afternoon when he will go to his summer home at Bridgehampton, L. I., there to remain until September 17th or 18th, when he starts on his second campaign trip.

REPUBLICAN STATE CONVENTION

The Republican state convention will reassemble at Peoria Tuesday, Sept. 19. All of the Republican state nominees will be present to make brief addresses but particular interest centers around the fact that Charles E. Hughes, candidate for president, will attend and make an address. From Peoria he will go to Springfield to be present at the state fair on Republican day, which is the same date. There will be no special tickets of admission and the convention will be open to the public.

NEW CENTENARY PASTOR IS MAN OF 22 YEARS EXPERIENCE

The Rev. Ernest L. Fletcher, Admitted to Illinois Conference in 1894, Has Held Number of Pastorates.

The fact that the Rev. Ernest L. Fletcher, for four years pastor of the Methodist Episcopal church of Gibson City and soon to come to Jacksonville, is a man of wide experience and pleasing personality is proving a source of gratification to the Centenary church membership who stand ready to welcome the new minister and his family as soon as removal can be made from their Gibson City home. The Rev. G. W. Flagge and wife were home from conference Tuesday and many are the regrets expressed that they are soon to leave a city in which so many ties of friendship have been formed.

Mr. Fletcher was admitted to Illinois conference in 1894, going to Villa Grove and then to Siddell. He later held charges at Sidney, Fairmount and Ridge Farm. After a pastorate in Marshall he went to Delevan and from the Delevan church he took the Gibson City charge. He is known as a hard worker and forceful speaker and advises from Gibson City have it that the church there felt keen loss upon the departure of Mr. Fletcher for another field.

Democratic Harmony

Members of the third ward Democratic club are to be commended at least for their willingness to come out in the open in affairs political. This organization has been out of tune with the state administration for some time and the endorsement of William C. Brinton for governor is the result. The club's action and the resolution passed will doubtless add to the spirit of harmony in the ranks of Morgan county Democracy.

Morgan County's Candidate for State Office

Andrew Russell is a candidate for state auditor on the Republican ticket at the primary election today. Reports from Cook county and from various parts of the state indicate strongly that Mr. Russell will win the nomination, altho there is a sharp contest for the office and a number of strong men are in the running.

Mr. Russell should receive hearty support at the polls today. He is the only Morgan county man running for a state office and it will be to the advantage of the party and the community to secure his nomination. His record for party loyalty has run thru many years and his experience in banking and business has been along lines which especially well qualify him for this important office.

A vote for Mr. Russell today will be in the interest of party success and state government efficiency.

Maine Election Slogan

'Maine went
Hell bent
For Governor Kent
And Tippecanoe
And Tyler too.'

Such was the slogan heard in the campaign of 1849 and the results of the election Monday will be certain to cause a paraphrase of that expression. Additional election details from Maine show that the Republican victory was even more decisive than the earlier returns indicated and that it was not just the Republican districts which had been heard from, as Democrats in distant states had hoped.

It will be interesting to note the Democratic explanation of the Maine results but these explanations will not get away from the fact that the Maine Republicans have realized that a divided front will mean Democratic success, and further, the election very clearly shows the dissatisfaction which exists in the past with the present administration.

Schools Open Auspiciously

The public schools of Jacksonville, it is said by some observers, have never opened more auspiciously for the fall work. A goodly number of the teachers have spent much of the summer in normal school work and they begin their duties with renewed zeal and enthusiasm. There is a large amount of benefit which comes to the teachers who go away to study methods in other schools and take courses in pedagogy.

There are evidences that a special spirit of co-operation exists in the teaching force and this condition

Rippling Rhymes By WALT MASON

THE BULLY.

You've doubtless encountered that terrible gent, who'll fight at the drop of the hat, who wanders the village on trouble intent as sassy as Thomas H. Cat. He says he's the Terror from Bittercreek Bend, who ne'er was divorced from his goat, and he will consider that person a friend who treats on the tail of his coat. He bullies the undersized people he meets, and wrenches the invalid's nose, and chases the cripples off most of the street, and tramps on the patriarch's toes. The chief of police, when the bully's around, has duties important elsewhere; he's pinching an orphan for beating a hound, or chasing a hen to his lair. It may be for months and it may be for years, men stand for this delegate bad; but finally someone undaunted appears, and spreads him all over the grad. Then people rejoice with a hearty good will, no longer distraught and afraid; the bully they take to the dump on the hill, and put him to bed with a spade.

DATES IN ILLINOIS HISTORY.

September 13, 1758—A French force of four hundred men sent from Illinois arrived to reinforce the garrison of Fort Duquesne, in Pennsylvania, which was threatened by attack from the British colonists.

augurs well for the success of the year. No matter what kind of a board of education, how well qualified the superintendent and principals or how efficient individually the teachers, unless they are working co-operatively for one common end—unless they are pulling together, the best results cannot be secured. The school day has been lengthened somewhat, varying with the grades, and, as already stated, all things point to a year of earnest school effort.

Spirited Campaign Promised

There are already indications that the campaign of 1916 is to take on some of the enthusiasm of years gone by. Unless signs fail, this will be a campaign of parades and "torchlight processions" or some other means will be found for giving vent to party enthusiasm. There will be more "speech making" this year also than in other recent campaigns and both of the national committees have arranged for spellbinders to appear in big meetings from coast to coast. State committees are also actively at work outlining their campaigns and it is said that as soon as the primary election is a matter of history that committees will inaugurate special features to begin the last week in September or early in October and continue until election day. Just as has been true in the primary election, the real enthusiasm is not expected to touch the highest pitch until the closing days of the campaign.

Ministerial Appointments

A visiting minister who is not a member of the Methodist denomination but formerly connected with it, declared yesterday that he had never known what real peace was until he joined another denomination. The statement was occasioned by reference to appointments just made by the conference resulting in various changes and removals. The former Methodist minister declared that the likelihood of a change of place each year had a bad effect upon the ministers and kept them in a state of mental unrest for weeks before each annual conference.

This minister probably knows from experience what he is talking about but there are people outside the Methodist church who approve the Methodist plan of appointing the ministers. To an outsider it seems that any church which secures a minister of exceptional ability and worth is not entitled to his services for a great many years, and by the same token if a minister is inefficient and does not meet the needs, the church should not be required to keep him for an extended period. So the Methodist system results in dividing up the high quality ministers and those that are not so strong, and a larger number of church people get their share of first class ministerial attention. At any rate, the various church systems of appointing ministers furnish a theme for interesting discussion as to merits.

DICKINSON-DEMARIN WEDDING TUESDAY AT CHANDLERVILLE

Ceremony Said at First Congregational Church by Rev. Charles R. Blood, of Michigan City, Ind.—bride Well Known in This City.

Miss Leota Damarin, a former student in the piano and voice department of Illinois Woman's College, became the bride of Clinton J. Dickinson of Albert Lea, Minn., Tuesday afternoon at Chandlerville her home.

The wedding occurred at the First Congregational Church, which was tastefully decorated with palms, ferns and goldenrod, and the ceremony was performed by Rev. Charles E. Blood, a former pastor, now of Michigan City, Ind.

Preceding the ceremony, several selections were played on the organ by Miss Mae Ainsworth. Miss Annette sang "Beloved It is Morn," and a quartette sang "A Perfect Day," and "I Love You Truly."

To the strains of Lohengrin's march the bridal party entered the church. The bride entered with her uncle, Mr. E. O. Spink, who gave her away. She was preceded by her maid of honor, Miss Florence Spink of Jacksonville, her bridesmaid, Miss Marietta Leeper, the ring-bearer, Miss Frances Louise Morse; the flower girls, Misses Dorothy Haynes and Margaret Humphrey; and the groomsmen, Messrs. Albert W. Morse and Earl M. Spink. The party was met at the altar by Mr. Dickinson, his best man, Mr. Wallace E. Spink, and the minister. The impressive ring ceremony was used, and during the service "Traumerel" was softly played.

The bride was gown in white net over white taffeta with veil of net. She wore a strand of pearls, the gift of the groom. The maid of honor wore white embroidered organza over pink taffeta, and the bridesmaid was attired in yellow silk.

A reception at the home of Mr. and Mrs. E. O. Spink followed the ceremony. The bride, who is a talented musician, is one of the most popular young women of Chandlerville, and is also well known in Jacksonville.

The groom was reared in Chandlerville, but is now located at Albert Lea, Minn., where he is employed by Hibbard Spencer, Bartlett & Company of Chicago.

They were the recipients of many handsome gifts, and there were many out-of-town guests, including a number from Jacksonville.

Mr. and Mrs. Dickinson will be at home to their friends at Albert Lea, Minn., after October 1st.

Why Edward N. Kitner Should Be Nominated for Coroner

Edward N. Kitner is a candidate for nomination for coroner on the Democratic ticket. Mr. Kitner has not been in a position to make a complete canvass of the county and meet every voter. He has, however, quite a wide acquaintance and has visited most of the picnics and other public gatherings in an effort to get his candidacy before the public.

Mr. Kitner's canvass has been made entirely free from personalities. He is not the candidate of any individual or any faction.

If elected coroner, Mr. Kitner will be coroner. He will do the work of the office and therefore will be entitled to receive the fees of the office.

He will serve as coroner himself and in case of too much work at one time presenting itself he will for the immediate occasion choose a temporary deputy.

Mr. Kitner is making his canvass on his qualifications and his ability and has not asked for sympathy or made use of other supposedly-assisting methods to boost his chances.

He wants to be coroner and will not farm out the job.

Mr. Kitner is well and popularly known in the county and his reputation as a business man stands him well in hand.

Voters who desire that Morgan county should have a coroner who will be able and willing to be coroner after being elected to the office will do well to consider Mr. Kitner at the primary election next Wednesday.

This is an important office and its affairs should be conducted in the interest of all the people of the county, without fear or favor, with equal rights to all and special privilege to none.

That is Kitner's platform—"A Square Deal to All."

SOME FARM TOPICS

Will Buy Dairy Cows at Elgin
 E. E. McPhail has gone to Elgin and vicinity to spend the most of the week looking over Holstein dairy herds with the intention of buying ten or twelve cows for his farm just northwest of Jacksonville. The Holstein has long been the favorite cow in northern Illinois just as in Wisconsin and a number of other states where particular attention is given to dairying. Mr. McPhail has been in correspondence with a number of stockmen and will look over several herds before making his purchase. He will probably buy four or five for LeRoy Potter while he is on the trip and four or five cows for other local men will make up the carload which is expected to reach Jacksonville at the end of the week. It is said that in the Elgin vicinity there are a great many grade Holsteins that are equal in almost every way to the pure breeds and sell for far less money. One stock farm in answering correspondence said that they had 600 head of Holstein cattle on their farms and that they would be willing to sell any that Mr. McPhail selected. The prices quoted by this firm and others for thoroughbred cows ranged from \$200 upward, while grade cows are quoted from \$90 upward.

The Holstein is considered possibly the greatest milk producer among dairy cows, tho the quality is not as high as from other breeds. Those who admire the Holsteins declare that the records will show that the quantity of milk given by Holsteins contains more butter fat based on the whole milk production, altho the amount per gallon is less. The Holsteins are considered very desirable for dairymen who separate the milk, shipping the butter fat to creameries and using the skim milk for feeding hogs. C. T. Lukeman had for a time planned to go with Mr. McPhail but for additions to his dairy he wants to secure a few Guernsey cows. The Guernsey by many people is said to give just as rich milk as the Jersey and a larger amount. The cows, while smaller than Holsteins and Durhams, are somewhat larger than Jerseys. Altogether there is an increasing interest in dairying in this locality since the establishment of the Jacksonville creamery and that of Swift & Co. The trade area of these two creameries is constantly widening, and furthermore the number of farmers who are keeping cows and selling cream is growing rapidly every month. It is much easier in the average farm home to separate the cream and then ship or take it to the creamery once or twice a week than to use the cream for making butter and then sell the butter.

The more the dairying industry is developed in this community the better it will be for the farms, as farming will be done along more intensive lines and a great deal of fertility returned to the soil. Various authorities who have studied the subject believe that dairying as an adjunct to the regular farm operations is an ideal condition or relationship, because of the tendency to thus feed all the grain raised upon the farm and in this manner help out in maintaining the soil fertility. This rule, of course, could not be universally applied because it is recognized that there must be grain farming in addition to stock farming. Otherwise there would be no corn, wheat and other grain for use in bread making and other necessary purposes.

C. A. Rowe has the records for oats threshed on his three farms, a total of 76 acres. On one farm they threshed 68 bushels to the acre, on another 52 bushels to the acre, and on a third 50, making the average about 55 bushels to the acre. The oats were planted thinner than is the practice with some farmers, a bushel and a half being the maximum per acre. Mr. Rowe believes that the satisfactory results secured this year were due in a large measure to the fact that the planting was done early. In all three instances the oats were planted in fields where corn was grown last year and in each instance clover was planted and the stand is excellent. On the home farm in the oats field lime stone at the rate of five tons per acre was used on alternate strips. This was put on last winter and disced into the ground this spring. Mr. Rowe said yesterday that he failed to notice that the crop was any better on the strips where the lime stone had been used than in the other parts of the field.

The past advance in prices in all lines has operated in a retail way so as to cause us to look the market over more carefully than ever before.

The result is that fully one-half of our full lines show equal values with those offered a year ago.

We want to keep our prices down. We have succeeded remarkably well. A visit to our store and comparison of values will convince you.

We can still furnish a first class felt mattress in first class tick for less than \$10.00.

NOTABLE WEDDING CEREMONY AT VIRGINIA TUESDAY

Miss Nita Robertson becomes Bride of Dr. Thomas G. Charles of Beardstown—Both Families are Prominent.

Society in Virginia was keenly interested yesterday in the wedding of Dr. Thomas Goodell Charles of Beardstown and Miss Alma Nita Robertson of the capital of Cass county. The ceremony took place at 4:30 p. m. at the residence of V. E. Robertson who occupies what is known as the J. T. Robertson homestead. A large number of guests attended the wedding, the list including a number from this city, the latter being nearly all cousins, while Beardstown and other places contributed to the assembly of guests as both contracting parties are widely known and belong to prominent families.

The residence was handsomely decorated in a color scheme of pink and white, white and pink asters, hydrangeas and ferns being used. Rev. C. F. Juvinat, pastor of the Methodist Episcopal church officiated, using the ring ceremony and he performed his duties in a deeply impressive manner.

Just before the ceremony Mrs. Frank Kuhl of Beardstown sang "O Promise Me" accompanied on a violin by Miss Mariam Lyles of Virginia. Mrs. Kuhl then seated herself at the piano and rendered the wedding march from the opera of Lohengrin when the little flower girl, Vivian Nadine Campbell of Virginia, appeared followed by the bride and the bridesmaid, Miss Mary Robertson of St. Louis, cousin of the bride. They were met in the parlor by the groom and groomsmen, Miller Dunn of Beardstown. The bride was given away by her father, J. T. Robertson, and after the ceremony many cordial congratulations followed.

The bride was arrayed in a costume of white serge, large white hat and carried a corsage bouquet of pink rosebuds, orchids and lilies of the valley. The bridesmaid was attired in a dress of white serge and taffeta, with white hat and carried pink roses.

After the ceremony a wedding dinner was served by George Parkhurst and Misses Berenice Hunt, Katharine Drinkwater and Rachel Rexroat. There were many elegant, useful and costly presents testifying to the esteem in which the young people are held by a wide circle of friends.

The bride is the daughter of J. T. Robertson of Virginia and granddaughter of Mrs. John Robertson of this city and is a charming and accomplished young person. The groom is a popular and successful physician in Beardstown. After a short wedding trip northward Dr. and Mrs. Charles will be at home at 1167 State street, Beardstown.

Among the guests present were Mrs. John Robertson, Sr., and her grandson John Robert Robertson, Miss Beatrice Robertson of this city; John Eldred of Carrollton, Misses Louise Conover and Marie Petefish of Springfield; Mr. and Mrs. Earl McKeever of Gibson City; Miss Ada Glenn, Ashland; Mr. and Mrs. Frank Kuhl, Mrs. Robert Glenn and son John, Mr. and Mrs. Frank Kuhl, Mr. and Mrs. L. W. Goodell, Roy Sudbrink, Mrs. John Harris, John Garm and Herman Sielschott, Beardstown.

A CLERICAL VISITOR

Rev. S. F. Spiderwell, wife, son and daughter, arrived in the city yesterday in their Ford car on their way home to Hamilton, Kansas after a visit at a former residence, Defiance, Ohio. Mr. Spiderwell is an active minister in the Methodist church and a force for good. He speaks with pardonable pride of Kansas, its prohibition that prohibits, its prosperity and freedom from crime and beggars.

During their journey from home they had some thrilling and rather unpleasant experiences. They encountered the heavy rains of a few weeks ago and at one place motored along a track with but eighteen inches on each side of the car and on each side a ditch with several feet of water in it. A dent in the road helped hold the wheels of the car in place but the occupants were much relieved when they reached safer ground. At another time they encountered some men mending a small bridge so two planks were laid lengthwise and the car had to be carefully guided over these two narrow ways. They have a camping outfit which they use in good weather and otherwise put up at hotels.

The Woman's College affords an unusual opportunity to the young women of Jacksonville for college education. Special certificate and degree courses in domestic science, music, art and expression.

QUESTIONS ON THE SUNDAY SCHOOL LESSON. By Rev. T. S. Linscott, D. D.

Sept. 17, 1916

A prisoner in the castle. Acts 22. Golden Text: He is my refuge and my fortress; my God, in whom I trust. Ps. 91:2.

1. Verses 1, 2. How much hope is there of winning a case, no matter how strong your arguments, before a prejudiced body of men?

2. Verse 3. What are the five, if not more, points made by Paul in this strong sentence which show him to be a skillful debater?

3. What would naturally be the influence upon the crowd when they learned that Paul was a Jew, an old Jerusalem boy, educated by a distinguished scholar, was learned in their rabbinical law and had been zealous in propagating their own faith?

4. Verse 4. What is the natural inference as to a man's sincerity in adopting the Christian faith, when he had been one of its foremost opponents?

5. Verse 5. What is a man's relation to God when his heart is full of hatred to those of another faith, and he takes full advantage of a cruel law to secure their punishment?

6. Verses 6-9. In another place Paul states that the light he saw was "above the brightness of the sun." What would you say such a light was produced from?

7. Seeing those who were with Saul did not hear the voice which was so clear to him, what sort of a voice would you say Jesus spoke with?

To Avoid Dandruff

You do not want a slow treatment
when hair is falling and the dandruff
germ is killing the hair roots. Delay
means no hair.
Get, at any drug store, a bottle of
zemo for 25c or \$1.00 for extra large
size. Use as directed, for it does the
work quickly. It kills the dandruff germ,
nourishes the hair roots and immediately
stops itching scalp. It is sure and safe,
is not greasy, is easy to use and will not
stain. Soaps and shampoos are harm-
ful, as they contain alkali. The best
thing to use is zemo, for it is pure and
also inexpensive.

HUGH GREEN A HOME MAN

Jacksonville, Ill.
Sept. 12, 1916.

To Republican Voters.
Morgan County, Illinois.

My Dear Fellow Citizens:—

I have just made a considerable
number of the precincts in Morgan,
by automobile, in the county outside
of Jacksonville. Strange as it may
seem, it looks as if I am on the
right track to finish in this big "dry"
county with a heavy majority, in-
spite of the fact that I am not en-
dorsed by the officers of the Anti-
Saloon league, an organization whose
word, until this time, has always
been good in Morgan county. I fear-
ed that the people here would fol-
low the lead probably and vote for
the men endorsed. Dozens and dozens
of them say that for the league to
endorse two men to the absolute dis-
regard of the fact that I, a Morgan
county man, was absolutely "dry,"
absolutely straight with the league,
is unjust, unfair and unequal for;
that from the standpoint of resident
league members it is unjust because
Morgan, being a big "dry" county,
is entitled to the endorsement of the
league for a "dry" Morgan county
man; that, from the standpoint of
resident members it is unfair, be-
cause it will cripple the league in
this county, since a great many sub-
scribers have, in total disgust, de-
termined to cancel their subscrip-
tions, some have probably done so
already; that it is unequal for be-
cause, if I am nominated, it will
cause the Forty-fifth senatorial dis-
trict to rise above minor organiza-
tions to get a man nominated, who
will help carry Morgan in the elec-
tion for the Republican nominees on
the state and county tickets. And
the true interest of the Republican
party organization in the forty-fifth
senatorial district, in they say, far
above the interest of any minor
organization. I have always been
straight with the Republicans of
which I am one, in failure as well
as in success. I am no fair weather
man.

BIBLE SCHOOL CONVENTION AT CONCORD M. P. CHURCH

Exercises Were Very Largely Attended—Visitors From North Dakota—Concord Neighborhood News Notes

Concord, Illinois, September 11—The Bible school convention at the First M. E. church was largely attended on Sunday afternoon. Precinct president M. O. Smith was master of ceremonies. The exercises opened with a song by the audience. The opening prayer was by J. T. Hutchinson, an earnest worker in the M. P. church. Special music was furnished from each school. The Christian school was first with a splendid number by Miss Eva Abernathy, Miss Alma Deterding, Mrs. L. F. Bayless and Mrs. Grace Ator. The second was by a class of over a dozen primary pupils from the M. E. school. They sang together and did splendidly for youngsters. The M. P. school was represented by a quartet composed of S. M. Smith, Mrs. Bessie Stevens, Miss Bonnie Smith and J. T. Hutchinson. This number was also a good one. Minister C. E. French of Virginia spoke very interestingly on "Adult Indifference." Carl Weber of Jacksonville spoke on "Graded Lessons." William Crum spoke on "County Work," and the coming convention. Mr. Crum never fails to please his audience. An offering was taken to help the county work. The assembly was dismissed by L. M. Mullikin, pastor of the Christian church. It developed that Concord has the only organized Bible school association in the county. It works so well that it is recommended to the rest of the county. The convention was one of the best held here for some time.

An automobile party consisting of Mr. and Mrs. Harry Way of Ashland, Rev. C. E. French, and Mr. and Mrs. R. B. Way, of Virginia, came to Concord to attend the convention, arriving about one o'clock. They came direct to the Christian church where a bountiful dinner awaited them. Mrs. M. O. Smith, Mrs. Bert Way, Mrs. C. O. Bayless and Mrs. R. E. Abernathy had dinner ready and all sat down to such a splendid luncheon that the time passed all too quickly before it was time to go to the convention at the M. E. church. The pastor L. M. Mullikin and your reporter were fortunate in having an invitation to the good things to eat, brought in by the above named ladies. The attendance at the spread would have been much larger had it been thought of in time.

Grandma Morrison, 95, is quite ill at her home northwest of Concord. Miss Hattie Farmer is her nurse. Her many friends will sincerely hope

to see her live to round out a century in years. She was a native of England.

A fishing party went to Meredosia on Saturday and enjoyed the day at the lake boating and having a good dinner and supper and it took 12 pounds of fish to satisfy their hunger. The party was composed of Mr. and Mrs. John Nordick and their guest Miss Reiman of Jacksonville, Mr. and Mrs. W. R. Zahn, Mr. and Mrs. J. L. Emerick, Mr. and Mrs. Lewis Meyers and children of the vicinity of Joy Prairie, and Mr. and Mrs. Jessie Morrison of the Hopewell neighborhood. They went in automobiles and had a splendid time.

Mrs. Dollie Farmer of Berea has been making a pleasant visit at the home of Mr. and Mrs. M. O. Smith.

Mr. and Mrs. Herman Mallicoat spent a few days in Arenzville visiting Mr. and Mrs. Ray Kiene.

Mrs. Hannah Braner and Mrs. Ola Farmer, spent Friday with Mr. and Mrs. Othie Holt northeast of Concord.

Mr. and Mrs. C. E. Rexroat spent Sunday in the Hopewell neighborhood.

G. R. Fox attended church and Sunday school with his niece, Mrs. Ethelyn Plank on Sunday and took dinner with her.

Mr. and Mrs. J. E. Ogle of Sarles, North Dakota, are here on a visit. They attended the convention Sunday afternoon. Mr. Ogle and your reporter renewed an old acquaintanceship of 25 years ago when he lived with "Uncle" Ben Moss in Concord. Ed looks some older, yet his face has a familiar look just the same.

Mrs. L. H. Plank presented Mr. and Mrs. Hubert Wester with a handsome time piece on Saturday as a wedding gift. The newly-weds expressed their sincere thanks to the former Sunday school teacher of the bride, and especially commended her good taste in the selection of a clock.

Mrs. "Kit" McCarthy and son B. and Mr. and Mrs. Nathan Humphrey all of Noweagua, motored to Chapin and Concord on Sunday. While here they called in company with Mr. and Mrs. Jacob Hoover and Miss Carrie Johnson of Chapin, upon Mr. and Mrs. L. F. Bayless here. Mrs. McCarthy is said to be real spry for one of her years, 79. She will make a two weeks' visit in Morgan county. The rest of the party returned home.

Rev. C. A. Fairchild will attend the M. P. conference at Gibson City this week. F. C. Nickel goes as delegate and J. T. Hutchinson is to attend also.

J. B. Cooper of Springfield attended the Sunday school convention and visited homefolks on Sunday.

Way and Mathews sold 12 head of nice young gilts to H. E. Kitner of

Jacksonville. They sold some fat hogs to O. T. Hamm. John Ratliff, Alfred Brockhouse, J. E. Whorton and others marketed hogs also last Friday.

Way and Mathews sold 12 head of he sale Sept. 28th and sell a lot of good hogs for breeding purposes. Smith Brothers have been at work on some of the school houses, getting them ready for the fall and winter terms of school.

J. E. Whorton has returned from St. Louis, where he went to purchase a carload of feeders.

William Wofe, who underwent a serious operation in Springfield, will return home Thursday as he is now on the way to recovery. Mrs. Wolfe returned Tuesday.

A SURPRISE PARTY. Mr. and Mrs. Amos McCurley were most pleasantly surprised recently, when a lively bunch of young folks gathered at the pleasant country home near Clements. It is needless to say they welcomed them and showed them a good time. Music and games afforded no little amusement for this merry bunch of young folks. Lloyd Carter won the prize in the contest during the evening. Light refreshments were served and all departed at a late hour. Those being present were: Lloyd Carter, Lyle Wiant, Grace Gibson and Truman Gibson all of Jacksonville; Stella McCurley, Bird Blimling, Mae Code, Mable McCurley, Sadie Irlam, Ethel Shirley, Stella Flynn, Frank Flynn, Corine Shirley, Ruth Shirley, Mr. and Mrs. John Wilson and sons Clair and Daryl and daughters, Lucy Mr. and Mrs. Amos McCurley and son William David.

STEPHEN H. CUMMINS ANNOUNCES PLATFORM FAVORING FARMERS

CANDIDATE FOR CONGRESSMAN-AT-
LARGE, THIS LAWYER-FARMER
ISSUES A CLEAR CUT STATE-
MENT TO REPUBLICANS.

Stephen H. Cummins, lawyer of Spring-
field, Ill., candidate for the Republican
nomination for congressman-at-large, be-
lieves that today is the day for clear cut
policies. Vague generalities such as "A
friend of the people," "The farmers' can-
didate," and other high-sounding phrases
might have been vote winners in days
gone by, but he believes the voter today,
especially in the rural districts, wants to
know exactly what a candidate proposes to
stand for.

Mr. Cummins has a very definite plat-
form, and asks for the votes of those who
agree with him that these things that he
stands for are for the betterment of the
country as a whole.

STEPHEN H. CUMMINS.
AN OLD PARTY WORKER AND
LOYAL REPUBLICAN, ENDORSES
WOMAN SUFFRAGE, RURAL
CREDIT SYSTEM, ETC.

Mr. Cummins' Platform.

Mr. Cummins endorses and promises to
vote for:

- (1) Endorsement of Full Suffrage for
women.
- (2) Budget System.
- (3) Protective Tariff.
- (4) Adequate Preparedness.
- (5) Republican National Platform in its
entirety.
- (6) Farm Loan System of Rural Credits.

Mr. Cummins is absolutely anti-pork
barrel!

Mr. Cummins' Record.

Because the electors should know the
caliber of the man who seeks office at
their hands, Mr. Cummins opens the book
of his life and shows a clean record. Not
anywhere in the entire book does a blot
or smudge appear. Stephen H. Cummins
was born on a farm, lived the life of a
farmer, and knows the needs of the farm-
er. Today he owns and operates two
modern farms in Sangamon county, and
gives them close attention despite his ex-
tensive legal practice.

During the twenty-eight years as a
lawyer, Mr. Cummins has handled some
of the largest and most important cases
of litigation in Illinois legal records. When
the Attorney General of the State of Illi-
nois needed able assistance he has called
on Stephen H. Cummins. No man of small
ability ever is called to such cases. De-
spite the wonderful success Mr. Cummins
has had as a lawyer, at no time has he
hesitated to turn from a case where a
large fee was forthcoming to defend a
man who had little of the world's goods.
Mr. Cummins knows the needs of the
country districts and his knowledge is
not an academic one. What he knows of
the farmer's needs he has gained through
experience on his own farm and through
across-the-fence and elbow-rubbing talks
with his fellow farmers and neighbors.
The man who poses as a "farmer's
friend" and doesn't know how many ker-
nels of corn go to the mill may make a
pretty speech but it takes a man with
knowledge of just how tired one can be
after a good day's plowing to really know
the farmer's problems.

Mr. Cummins' Republicanism.

For years Mr. Cummins has been a
"wheelhorse" of the Republican party in
Sangamon county, state and national elec-
tions. When an orator was needed on
the platform and on the stump Stephen
H. Cummins was called on—and he worked
and fought for Republican success, never
faltering for defeat, never demanding
praise for victory. It was his support that
helped elect Lawrence Y. Sherman to the
senate and Mr. Sherman has personally
thanked him for his assistance.

Two Years Ago.

Two years ago Mr. Cummins entered
the race for congressman-at-large and
although the dark horse and a late en-
trant for the position he gained a sur-
prising number of votes. Chicago favors
him perhaps more than any "down state"
candidate for they know him to be fair.
If the rural communities turn out and
work for this man who is pledged to their
interests Mr. Cummins can be nominated.
The question of ability does not enter
here for Stephen H. Cummins has gained
his present prestige through ability. A
desire to serve his country comes natural
to Mr. Cummins as a family trait for the
late Senator Cummins of Iowa, the best
friend the farming interests ever had in
the senate, is Mr. Cummins' own cousin.

**ASKS FOR VOTES OF ONLY THOSE
WHO BELIEVE AS HE DOES.**

Mr. Voter, here is the proposition—if
you vote for Stephen H. Cummins you
vote for a man who will work for your
interests. Look over the platform he
stands on and will stand on if elected. If
you want a conscientious worker for the
common good, work and vote for Stephen
H. Cummins for congressman-at-large at
the Republican primaries on September
22nd. Mr. Cummins is appreciative and
will thank every man who helps him to
victory. This is a fair, square statement
made in the interest of a fair, square,
out-in-the-open non-factional candidate.
Are you for Stephen H. Cummins?

Will You Give Us Your Opinion?

You have read a lot, lately, about the Railroad Problem.

You know that a law has been passed which means, for one thing, that the railroads are going to spend more money for operation and similar activities than heretofore.

You know that this may mean INCREASED freight rates and passenger fares.

The PUBLIC, therefore, is MOST vitally concerned.

"THE PUBLIC" means YOU, no matter who you are, where you live, or what you do.

Therefore, because railroad problems are VITAL, and because railroad problems AFFECT YOU, you should study them RIGHT NOW. And to protect your personal interests, your judgment must be based on FACT.

Service, Rates, Stations, Safety, Courtesy and a number of OTHER railroad subjects deserve more of your attention than you've been giving them.

A little thought will show you why a fair, correct understanding of the "MEAT" of railroad matters could be to YOUR advantage.

If you agree with this, may we have the benefit of your opinion? Will you spend two cents for a stamp and take the trouble to address an envelope and send back the vote-coupon in the corner?

Yes? THEN VOTE! You don't have to sign your name. Just mail the coupon to the Bureau of Railway Publicity of Illinois, 38 South Dearborn Street, Chicago, and DO IT RIGHT NOW. Tear out the coupon before you turn the page. Thank you.

**AFTER SIX YEARS
OF SUFFERING**

Woman Made Well by Lydia
E. Pinkham's Vegetable
Compound.

Columbus, Ohio.—"I had almost given
up. I had been sick for six years with
female troubles and

nervousness. I had
a pain in my right
side and could not
eat anything with-
out hurting my
stomach. I could
not drink cold water
at all nor eat any
kind of raw fruit,
nor fresh meat nor
chicken. From 178
pounds I went to
118 and would get so weak at times that
I fell over. I began to take Lydia E.
Pinkham's Vegetable Compound, and
ten days later I could eat and it did not
hurt my stomach. I have taken the
medicine ever since and I feel like a
new woman. I now weigh 127 pounds so
you can see what it has done for me
already. My husband says he knows
your medicine has saved my life."

Mrs. J. S. BARLOW, 1624 South 4th St.,
Columbus, Ohio.

Lydia E. Pinkham's Vegetable Com-
pound contains just the virtues of roots
and herbs needed to restore health and
strength to the weakened organs of the
body. That is why Mrs. Barlow, a
chronic invalid, recovered so completely.

It pays for women suffering from any
female ailments to insist upon having
Lydia E. Pinkham's Vegetable Com-
pound.

When Vacation Is Over and You Are Back Home Again, Or A Few Electric Thoughts for Coming Cooler Days.

WHEN THE VACATION IS OVER and you are back again, you real-
ize after all that home is the place where you find rest and comfort. You
begin to think how many comforts and luxuries of modern homes are con-
tributed by the tireless servant electricity.

THE FAVORITE READING LAMP by your easy chair, the bedside
light that you turn out with a pull of the chain as you read yourself to
sleep, the turning down night lights that burn dimly in the hall and
bathroom, these are touches of comfort that you grow to depend upon.

THE ELECTRIC HEAT PAD for aches and pains, the baby's bottle
warmer, are luxuries that may be sorely missed at the summer place.
And the electric table appliances.

THE ELECTRIC TOASTER, coffee percolator and chafing dish pro-
vide those dainty tricks of table cookery that have come to mean so
much to the efficient housewife.

THE ELECTRIC SUCTION SWEEPER, the washing machine and gen-
eral utility motor—these have gone far to relieve the heavy work and
bring solid comfort into the home.

As one vacationist remarked:

"We go away in vacation time for a change of air and scene, but we
come home for the rest and solid comfort that we love the best."

How is YOUR HOME EQUIPPED? Have YOU begun putting in some of the COMFORT-GIVING, LABOR-
SAVING, REALLE ECONOMI-
CAL ELECTRIC DEVICES? Have YOU given a thought to what you and your family might be enjoying, with practically no increase in price-
es? Have YOU any real idea of the many contrivances for "doing it electrically" that may be had now, and so reasonably, too? Why not drop
in and let us show you these things, get the prices and find out how inexpensively they can be operated—you will be delighted to think that
you did. Ask particularly to see the line of ELECTRIC BREAKFAST TABLE APPLIANCES.

If you cannot call at our office, but will let us know the particular appliances you are in-
terested in, our Mr. McLaren will be glad to take them to your home. Either phone 580.

PROMISES PLEASANT OUTING

As previously mentioned, a large number of members of the D. O. K. K. organization and their friends plan to take a C. & A. special train at 12:30 Thursday for Pearl where they will go on board the steamer Columbia for an excursion to Mercedia. The return trip has been so arranged that the train will reach Jacksonville about 11 p. m. Thus the excursion will afford more than six hours on the river and there will be dancing and other amusements. Capt. F. H. Mehl of Pearl will be in command of the boat and all who go can be assured that the best of order will be maintained. Some business men were planning to go to Mercedia on the Wabash train at 5:11 and catch the boat at Mercedia for the return trip. It should be borne in mind that the 5:11 train does not go to Mercedia and anyone who wishes to take that route will have to leave Jacksonville on the 2 o'clock train.

THIRD WARD DEMOCRATIC CLUB FOR BRINTON FOR GOVERNOR

Executive Committee Held Meeting
Tuesday and Endorsed List of Candidates.

That the peace and harmony in the Democratic party in Morgan county is only on the surface was shown Tuesday evening when the executive committee of the Third Ward Democratic club held a meeting in the office of B. T. Ashley and endorsed William B. Brinton for the democratic nomination for governor.

They did not stop after doing that, however, but went further and made several other endorsements. Henry W. Huttman was endorsed for lieutenant governor, Barth P. Collins for secretary of state, Arthur W. Charles for state treasurer, Patrick J. Lucey for attorney general, William E. Williams and Joseph O. Kostner for congressman at large, Louis D. Hirschmeier for member of the state board of equalization and Henry T. Rainey for congress from the 20th district. The national ticket also was endorsed.

The meeting organized by selecting William N. Hargrove as chairman and W. C. Howe for secretary. A number of talks were made and great enthusiasm was shown by those present.

For several months there has been an undercurrent of dissatisfaction in the ranks of local democracy. This culminated about a year ago when the same club held a meeting and passed resolutions endorsing W. E. Williams for governor. Afterward Mr. Williams withdrew from the race and entered the race for re-election for congressman at large.

The sore spots seemingly are by no means healed. The Third Ward Democratic club is a strong organization and has been a power in local democratic politics.

HIGH SCHOOL FOOT BALL SQUAD BEGINS DAILY PRACTICE

Coch Hufford Has Men Working Hard—Practiced Last Night in Rain—Prospects Look Good for Winning Team—Good Schedule is Under Way.

Football practice has started at the High School with a vim. Sixteen men were out last night and the rain was pouring, and most of the pedestrians in the downtown districts were seeking shelter the aspirants for the J. H. S. foot ball team went on practicing, paying no attention to the dampness of the weather.

Coch Hufford said last night that the prospects for a winning team looked especially good. The fact that Fierke, captain of the team, is not back from Montana somewhat dampened his hopes, but it will be only a matter of a few weeks before he will be back, and the team will be complete. He said that he hoped to have a team averaging between 150 and 155 pounds. With an eleven of this size and with the fast material on hand a championship team bids fair to play for Jacksonville High school. Reynolds brothers, fast track men and hard fighters of last year's team, look favorable for the half back positions. Hull is showing remarkable skill and energy for the guard or tackle. Reeves and Ferguson, while light, are exceedingly fast and stand a good chance of playing the ends. Perhaps the greatest and hardest to fill vacancy will be that of quarter back. Coach Hufford stated that while there was one or two men who had some experience at this position their size did not balance with the remainder of the back field. This position is still open but no doubt some one will step in and make a star for the team. Mohon is expected back soon and should make a good showing for the position. In all Coach Hufford feels that he has some excellent material and in a short time he hopes to have them developed to a degree of efficiency that will equal any team in the state.

The Proposed Schedule.
The schedule while not complete gives promise of some good games. The first game of the season will be Sept. 22, when J. H. S. meets the Waverly eleven on the home gridiron. While Waverly is a small town the high school there is building rapidly and they expect to have a fast team representing them here the twenty-second. There are several open dates but it is expected that they will be filled in a few days. Manager Carter has received requests from the Pekin school and from Alton for games which can probably be arranged for. He has written to Rushville for a game and if these games materialize the schedule will be practically completed. The game with Peoria Manual will perhaps be the biggest game of the season. The team will work hard and expect to give the boys from Peoria one of the hardest games ever played with a Jacksonville team. The following is the schedule that is proposed and with the exception of the above named games is practically arranged for.

Sept. 22: Waverly at Jacksonville.
Oct. 7: Carrollton at Jacksonville.
Oct. 27: Open date.
Nov. 3: Beardstown at Jacksonville.
Nov. 11: Peoria Manual at Jacksonville.
Nov. 18: Quincy at Quincy.
Thanksgiving: Roodhouse at Roodhouse.
